

Midwest Engineering

Associates, Inc.

Land Surveying Services

Midwest Engineering Associates, Inc.'s Land Survey division has special expertise in boundary, topographic, right of way, construction staking, subdivision platting, and ALTA/ACSM land title surveys on urban and rural tracts. Our professional staff of surveyors welcomes the opportunity to be of service to both the public and private sectors of the community.

Our Land Survey division is a core service provided by Midwest Engineering Associates, adding value to nearly every aspect of our business. Our goal is to provide quality service to our clients. Please feel free to contact us to discuss your surveying needs.
